## **OMNI HOTELS & RESORTS MISSION**

We are a **luxury** brand whose incredible **family** of **associates** puts the **soul** in hospitality every day.

The needs of our **guests**, associates and owners are in the forefront of everything we do. Omni caters to all travelers including leisure couples, business travelers, families and group & convention attendees. Through **authenticity** and **innovation**, we create unique, **memorable experiences**.

Omni is a collection of hotels and resorts created to be a **focal point of their city** often existing as a single property before becoming part of the Omni family.

When we approach a hotel, we do not have a pre-set format or formula. Our design, décor, F&B, services and amenities all stem from and become reflective of the city they inhabit.

Each of our properties is unique. No two Omni's are alike. Marketing textbooks would say this is the wrong way to run a brand. We think it is our greatest strength.

That's why we call it our local color.
