ABC values our travel agency partnerships and is committed to providing you with all the necessary tools and resources to get the most out of the ABC Premier Hotel Program, providing the maximum value to your clients and ease of booking for you. You can rest assured that when you book ABC you are getting the best hotel program available! We pride ourselves on our industry leading hotel program and reputation for providing travel professionals the highest quality of personalized service and attention.

## It All Starts with the ABC Rate Code – GDS Quick Reference Booking Guide

For GDS users, “ABC” is the hotel rate code used to access the ABC Premier Hotel Program. This applies to all GDS (Amadeus, Apollo/Galileo, Sabre and Worldspan). A secondary rate code “AOM” allows hotels to facilitate the distribution of promotional, weekend and leisure rates via the GDS.
