FIESTA INN
HOTELES BUSINESS CLASS

Custom-designed to fulfill the needs of modern business travelers, **Fiesta Inn** offers "Business Class" service at more than 70 hotels across Mexico. Both the concept and the service help make sure that guests can remain connected at all times and achieve success on their trips, while still being able to find rest and relaxation on the road.

Gamma is a collection of hotels backed by the creators of the classic brands **Fiesta Americana** and **Fiesta Inn**. The hotel's offer quality accommodations that blend with the destination, whether in a colonial town, modern city or lively beach resort. The hotels cater to guests seeking a local experience, where they can be independent and follow their own tastes, dreams and desires

An innovative economy class hotel concept. Simple, efficient and affordable, **One Hotels** are perfect for people traveling on a budget who seek a peaceful rest before moving to the next stop on their journey. Free full american breakfast and wifi.

THE
EXPLOREAN.
BY FIESTAMERICANA

Blending romance, adventure and luxury with the natural surroundings of the Mayan jungle and Caribbean Sea, **The Explorean** unlocks the imagination and a passion for life. A unique concept, these remote hotels are nestled amongst the birds, stars, lakes and wildlife of the jungle, but without holding back on comfort and service. Guests explore the waterways on catamarans, kayaks and boats; discover remote and historic Mayan sites, hike through the jungle and the resort grounds, spy birds and wildlife, rappel on rock walls, cycle through the forest, and take in the natural air. Visiting The Explorean is unique and unforgettable experience made possible by Fiesta Americana.
